Membership Benefits

If you believe in learning as a lifelong activity, look forward to challenging new experiences, enjoy being involved with the romance of the past, and welcome opportunities to explore “a village from another time”, then we invite you to become a Member of The Historic Village at Allaire.

The Village offers a rich sampling of workshops, demonstrations, re-enactments, music, theatrical performances, and tours. Our villagers are always eager to discuss their lives in the 19th century, and show their homes and work places and answer questions. As we expand our public outreach, these types of activities and much more will be made possible by our Members. By joining, you will help support the educational programs and people that continue to make The Historic Village at Allaire an exciting and dynamic place to visit, learn, and enjoy!

As a Member, you receive advanced notification of exhibits, family programs and Member Only events. Discounts and privileges are designed to help you make the most of your visits, and attend more often.

We look forward to welcoming you as a Member of The Historic Village at Allaire. Your support will help keep the Village the extraordinary institution it is, and has been since 1822. Please help us in continuing our commitment to promoting a deeper understanding of our past and the men and woman who helped build the American Dream.
