

HOW TO MAKE YOUR RESEARCH APPOINTMENT

STEP 1:

Come up with ideas! What are you interested in? What do you want to research? If you have any questions about what material we can offer please reach out to us!

STEP 2:

Call or Email us to make an appointment. Walk-in Visits are NOT accepted. **You must make an appointment to visit the Allaire library!** Please have a list of general topics or specific items you are interested in so we can prepare for your visit.

STEP 3:

Visit us! When you visit our archives you will be made aware of the rules and regulations that ensure the collection will be safe for future generations. Please note this is not your general public library! The papers you are handling are very old and fragile!
